

# Safari Itinerary

Duration: 5 days

## Day 1

### Arusha to Tarangire National Park

Your safari adventure starts with a drive from Arusha to Tarangire, the fifth largest park in Tanzania. It is also a sanctuary for an incredibly large population of elephant. You will view a diverse population of wildlife, see the Tarangire River, and view the iconic baobab trees. Common animals that you may see include but are not limited to elephant, lion, leopard, cheetah, and giraffe. All meals and accommodation included.

## Day 2

### Lake Manyara National Park

You drive to Lake Manyara after breakfast. This is at the base of the Great Rift Valley escarpment and is famous for its tree climbing lions. The park is recognized for its incredible beauty and abundance of waterfowl. You can also see animals such as impala, buffalo, elephant, giraffe, hippos, and species upon species of birds. All meals and accommodation included.

## Day 3

### Ngorongoro Crater

You descend into the Ngorongoro Crater after breakfast for a wonderful drive. The crater is one of the few places where you can view the black rhino. You can also see lions, elephants, hyenas, zebras, hippos, flamingos, jackals, antelopes, and many birds. You will be able to enjoy a picnic lunch in the crater. All meals and accommodation included.

## Day 4

### Serengeti

This morning after breakfast you drive to the Serengeti. The most famous wildlife conservation areas in the world. You will most likely be spotting lions, zebras, cheetahs, and more before you have your lunch.

After lunch the game drive continues over the vast stretches of this wonderful park aptly named from the Maasai word meaning endless plains. All meals and accommodation included.

## Day 5

### **Serengeti National Park to Arusha**

Early morning game drive begins in the Serengeti before you travel back to Arusha. and onwards to your lodging or to the Kilimanjaro International Airport for your departure. All meals and accommodation included.
